

# Predicted Energy & Carbon Assessment

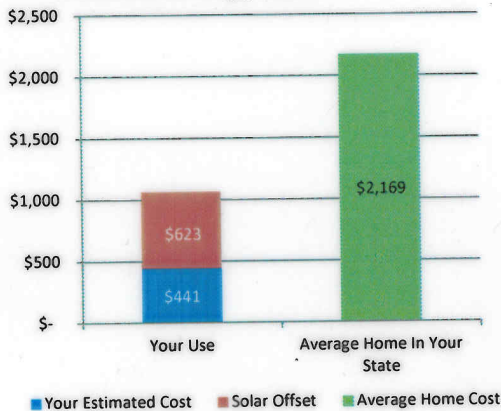

Address: Lot 192 McDermott Pde, Rochedale, QLD, 4123

Builder: H4 Homes

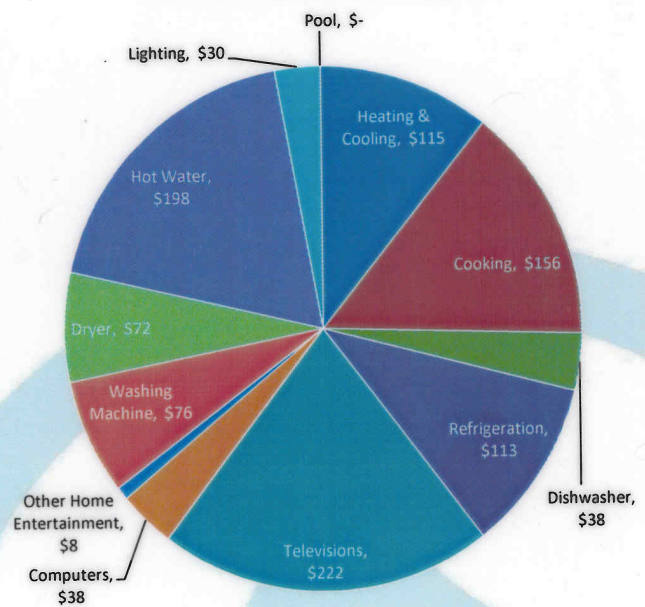

Date: 22 May 2013

This home was simulated using the Economix Indicator V2 (© 2011)

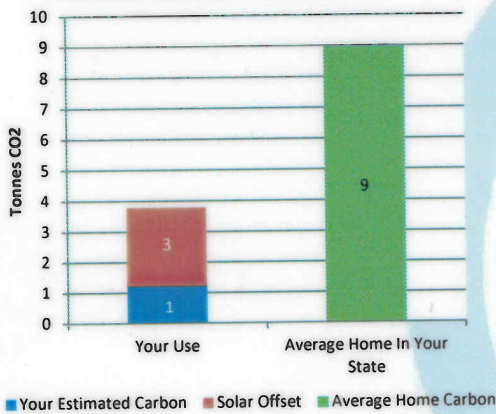

## Annual Energy Cost

## Breakdown of Your Costs

## Annual Carbon Emissions

The results shown above are based on National and State research, inputs by the Builder and predicted inclusion and use patterns by the client. They are a predicted benchmark and should be used to inform and augment savings in energy during occupancy of the home.
